

Reaching for Net Zero: Commercial Buildings in Michigan

Sponsorship Form

When: This is a one-day Conference taking place on September 18, 2019 from 8:30 AM-5:00 PM

Where: At the Jam Handy, located at 2900 E. Grand Blvd, Detroit, MI 48202

What: This Conference is bringing together solar, energy efficiency and geothermal contractors to learn about the growing demand for net-zero structures where the amount of energy used over the course of a year for that structure, would be generated and retained by that structure. This requires developers, contractors and architects to look at commercial buildings in a completely different way; utilizing energy efficiency to reduce the loss of heat and electrical energy provide while generating the needed energy through solar and geothermal systems.

Who: Our goal is to bring together solar, geothermal, energy efficiency contractors, architects, developers, energy planners and progressive advocates.

Cost: Tickets are \$35 and include a light continental breakfast and lunch (\$10-member discount)

Sponsors: We are looking for '*Sponsors*' to underwrite the cost of this Conference. We have four Sponsorship Levels:

- **Megawatt:** \$1,000 which includes 4 tickets, an Ad in the Program Guide and a 6-foot exhibit table.
- **Kilowatt:** \$500 which includes 2 tickets, an Ad in the Program Guide and a 6-foot exhibit table.
- **Watt:** \$250 which includes 1 ticket and a 6-foot exhibit table.
- **Energizer Non-Profit:** \$150 which includes 1 ticket and a 6-foot exhibit table.

Checks are to be made out to GLREA and sent to 28342 Dartmouth St, Madison Heights, MI 48071.
